### Sake Tasting

60

Tasting of all our sake by the glass coursed throughout the meal.

<b>Kubota <i>Manju</i>, junmai daiginjo, Niigata</b>	26	55	300ml
Celebratory sake that's prized throughout Japan. Aromas of apple and pear. Immensely drinkable with the cleanest finish.			
<b>Tedorigawa <i>Kinka</i>, nama daiginjo, Ishikawa</b>	14	76	720ml
Brewery from <i>The Birth of Sake</i> . Unpasteurized. Very fresh, lively, and elegant.			
<b>Kuro Kabuto <i>Black Helmet</i>, junmai daiginjo, Fukuoka</b>	14	76	720ml
Brewed using unorthodox 'black koji'. Bold and adventurous with pleasant bitterness and notes of strawberry			
<b>Kamoizumi <i>Red Maple</i>, namagenshu, Hiroshima</b>	12	59	720ml
Aged, unpasteurized, sake. Rich, satisfying, and very savory with notes of scotch.			
<b>Kamoizumi <i>Summer Snow</i>, nama nigori, Hiroshima</b>	13	49	500ml
Unpasteurized nigori. Mildly sweet, creamy, luscious, and robust			

### Bottle Sake

<b>Kirinzan <i>Kagayaki</i>, daiginjo, Niigata</b>	300	720ml
<i>Our best sake.</i> Clean, smooth, rich, and round with layers of deep complexity. A very big, confident, and addictive brew with balanced umami and mouthfeel.		
<b>Wakatake Onitoroshi <i>Demon Slayer</i>, junmai daiginjo, Ishikawa</b>	79	720ml
Fruity, flavorful, round, and balanced. A very popular sake.
